It is strongly recommended that you purchase Pre-Travel Cancellation Insurance at the time of booking your vacation package.

We do not sell cancellation / trip interruption insurance, it is something that you have the option to purchase, and it isn't a bad idea, because these insurance policies cover cancellation, trip interruption even due to inclement weather, baggage loss, baggage delay, trip delay (meaning that you can each have a place to stay if you are stranded in an airport somewhere, and additional medical coverage as well. For trip insurance, it is a good idea to check with your credit card company to see if and what they offer in the form of insurance if/or you use that card.

Travel Guard is a full coverage insurance plan, and you can find the information on what they have to offer at www.travelguard.com. It is a good idea to read what they offer, as well as what the exceptions are.

CSA is a full coverage insurance plan, and you can find the information on what they have to offer at www.travelsecure.com. It is a good idea to read what they offer, as well as what the exceptions are.
